

TECHNICAL OFFICIAL LEVEL 1 COURSE

- **Level:** NGB 1
- **Minimum age:** 16
- **Cost:** £40

Short Description:

Technical Officials have an important role to play in our game. They are responsible for the accurate recording of the score, player statistics and timing of the game.

Duration:

- Course duration: Minimum 10 hours plus live match training.
- Pre course work: Online Technical Official Introductory Course
- Face to face delivery: 1 Day (4 hours classroom based + live practical application)
- Practical delivery: Ongoing – Opportunities to be agreed with candidates

Requirements of Entry:

- Affiliated Member Netball Scotland at the correct license.
- Minimum Age: 16

Recommended entry to the unit:

- Entry is at the discretion of Netball Scotland

Assessment:

Assessments for the Technical Officials will be in the form of ongoing practical submissions and log match book.

All candidates following course attendance will be required to complete a practical evidence log book in the various roles undertaken as a Technical Official. Once the log book has been completed this can be submitted to Netball Scotland where a practical assessment will be undertaken at a suitable match standard and under the supervision of a Qualified Technical Official/Tutor.

This will be the same process to progress along the stages of the Netball Scotland Technical Official Pathway to National or International Standard.

Are reassessment opportunities available for all formative assessments?

Reassessments are normally available for all courses.

Reassessment opportunities are provided by contacting Netball Scotland to arrange.

NETBALL SCOTLAND
